8

Listen and sing.

Animals live all around us,
All around you and me.
Animals live in the forest,
The mountains and the sea.

Monkeys live in the forest
And they can swing in the trees.
They've got long arms and curly tails
And they can swing in the trees.

Chorus

Eagles live in the mountains
And they can fly in the sky.
They've got sharp claws and silent wings
And they can fly in the sky.

Chorus

Whales live in the sea
And they can swim and sing.
They've got strong tails and tiny eyes
And they can swim and sing.

Chorus
